SIKORSKY ARMED BLACK HAWK®

Multi-Mission Lethality for the Attack

ii i

SIKORSKY ARMED BLACK HAWK®

ATTACK MISSIONS

Multi-Mission Flexibility and Firepower with Black Hawk Dependability

ANTI-ARMOR

Terminate tanks and other armored vehicles from stand-off distances or on the move. Up to 16 Hellfire missiles.

ARMED ESCORT

Protect ground convoys or coastal boat traffic with 70mm rockets and fixed-forward or crew-served .50 caliber and 7.62mm machine guns.

Sikorsky, A Lockheed Martin Company 6900 Main Street, Stratford, CT 06615 USA +1-{800}-WINGED-S (946-4337) International +1 (203) 386-3029 www.lockheedmartin.com/sikorsky

AIR ASSAULT

Fill the cabin with 11 troops and two gunners armed with 7.62mm machine guns. Or remove all the seats and load the cabin with cargo. Provide external sling-load operations on the move.

SUPPRESSIVE FIRE

Suppress combatant ground threats with a high-rate of sustained firing from 70mm (2.75in) rockets and .50 caliber forward firing guns.

SURVEILLANCE/ ARMED RECONNAISSANCE

Employ the power of the EO/IR sensor during scout missions. Armed with 70mm rockets and fixed-forward or crew-served .50 caliber and 7.62mm
